2010 Ann Arbor Ski Club Summer Golf Outings

Coordinator: Holly Polopolos

Once again, we will be getting together to play golf every other Sunday this summer at various golf courses around the area through the end of September, weather permitting. These are casual, fun outings. Partners and regular attendance are not required.

We play Sunday afternoons and frequently gather afterwards for a potluck cookout at someone's home. BYOB and a dish to pass. Other times we'll simply gather at the course clubhouse or a nearby tavern to socialize afterward. Non-golfers are welcome to attend the post-golf gatherings.

To reserve your tee time for any Sunday, contact Holly Polopolos **at least** one week ahead of time to make your reservation and get directions to the pot luck or post party.

Players are responsible for their own green fees and cart rental. **No shows are obligated to pay by course rules.** Please arrive at least 20 minutes before your tee time to care of your green fees and meet with your foursome. Singles, doubles and threesomes will be matched up with others to fill out the groups. We will play ready golf rules and slower players will be encouraged to allow more experienced players to take the early tee times and play "best ball", or scramble rules in order to maximize fun for all.

We play both 9 and 18 hole events. Often people wishing to play more or less than the scheduled number of holes can still be accommodated. Please check with Holly when you email or call. All dates and venues are subject to change. Watch this space for updates.
