Accepting the Ann Arbor Policies and Expectations Document is Required

I agree to hold harmless the Ann Arbor Ski Club and its members for any and all injuries and/or losses incurred or sustained at or in connection with any ski club event. I have read and fully accept the trip participant policies and expectations. Failure to make payments per payment schedule may result in cancellation of your spot and the loss of monies paid.

Participant Policies and Expectations

1. **Cancellations.** You are signing a contract with the Ann Arbor Ski Club and agree to adhere to the payment schedule. We will book flights, lodging, transportation and make other expenditures for you. If you cancel or are a no show, any refund will be based on what we receive back from our trip providers on your behalf and/or if your slot can be filled from a waitlist. Waitlist management is handled by the trip leader. Trips are not directly transferable by the participant. If you are sharing a room or a condo, you will still be responsible for your share of the lodging. It is possible you may lose your entire trip cost. If the club cancels a trip, your deposit money will be returned. See full policy at www.a2skiclub.org (**link on page w/ this contract**)

2. **Behavior.** The club has a behavior policy, and all travelers are expected to abide by it. In addition, trip leaders are VOLUNTEERS and are not compensated, nor are their trips subsidized. If you have problems with travel, lodging, or other issues, they may help out, but it remains your responsibility to resolve it.

3. **Public Health.** The club has a Public Health policy regarding Covid and other health concerns. You agree to abide by it. The club currently requires full vaccination plus appropriate booster(s). Proof of adherence will be required prior to traveling with the club.

All policies are available at www.a2skiclub.org. (see link on page w/ this contract)
Policies are subject to change and/or modification as the Board of Directors deems necessary for the safe and efficient operation of the club.

4. **Bedrooms.** Bed types, particularly in condos, are usually unknown until we arrive. There is no first come/first serve with respect to beds. The ski club has a procedure for determining how beds are allocated if the roommates cannot determine this among themselves.

5. **Ski Passes.** Many trips will involve the use of Epic or Ikon passes. These trips will NOT have group passes available and the Ann Arbor Ski Club cannot buy them. *It is the responsibility of the participant to get their own lift pass.* Epic/Ikon passes need to be purchased prior to the start of the season. The passes are NOT transferable which will make it difficult to fill empty slots from a wait list later in the season. See insurance below.

6. **Insurance.** The Ski club strongly recommends that participants buy trip insurance. The club will not be financially responsible for cancellations, travel delays, or other events that impact the ability to enjoy your trip . Participants acknowledge that public health-based closures and general travel chaos is a known risk of travel and accept their responsibility to financially protect themselves.
