Room Assignments: Trip leaders will advise you of the rooms available. You cannot contact the Inn to request a specific room (they will not take your request).

Additional Nights: The Inn is offering a rate of \$75 + tax on Standard Rooms for those who want to book the night before or after (after you are signed up with this trip). Upgraded Rooms will also be offered at a discount. For the additional night(s) you will be in the same room booked for the AASC weekend and you need to make these arrangements only directly with the Inn by calling 800-530-9898. Be sure to let them know you are with the Ann Arbor Ski Club.

Alpine skiers usually ski Nubs Nob Friday, Boyne Highlands Saturday and Boyne Mountain Sunday. **Nordic skiers** can ski at Wildwood, which has several loops for different abilities. Cross-country trails are also available at Boyne Mountain, Boyne Highlands, Nubs Nob, and at many surrounding State and local parks. Lift tickets and trail passes are NOT included in the package.

Rooms & Roommates: Due to the uniqueness of the Inn, the number of twin bed rooms are limited, therefore, first come, first served. All other standard rooms have a single queen or king bed. There is a total of 29 rooms at the standard rate. Queen and king suites (include a variety of different amenities) are available for an additional cost. **If you are requesting a double occupancy room, we encourage you to try and find your own roommate.** We will make every effort to match you with a roommate, but this is not guaranteed. If there is not another single to share a room you will be offered Single Occ pricing or you can cancel.
